SexMatters

WORKSHOP:

AI approaches for molecular biology

Venue: Fest Auditoriet (A1.01-01), Bülowsvej 17, 1870 Frederiksberg

November 16, 2026 I 13:00-15.00

Artificial intelligence is rapidly reshaping molecular biology. Join us for an interactive workshop featuring Samir Bhatt's expert talk and discussions on AI-enabled research approaches.

Registration

✅ Participation is free but required

📌 Registration deadline: November 12, 2026

👉 Register on https://bit.ly/4ivW5ta

Organised by the SexMatters project (Kristine Freude, Claus Desler and Samir Bhatt) – as part of

SUND COLLABORATES
Seed funding for novel research collaborations
